

President Message

It's scary to think how fast the month of July flew by and I fear that August will go by even faster. There is a saying that summer is actually a state of mind and I believe this to be quite true. For many of us, we become invigorated by the warm weather and once again become the best versions of ourselves. The long and warm summer days allow for moments to gather with friends and family, to experience beautiful sunsets, and days spent by the water. I hope that you have taken advantage of many opportunities to embrace your summer state of mind.

Josh Lamont

Lamb BBQ

Our annual BBQ was a great success with almost 30 members attending. Thank you to Barbara Roberts and Robin Hopper for hosting the event! As well, a thank you to the “chef” members who attended to the lamb and the carving.

Message from New Manager

I am excited and a bit scared to take the reins from Jacquelyn, officially at the end of July. Thank you, Jacquelyn, for all you have done (and I'm sure, will continue to do to help me figure all of this out.) I'm now in the big learning curve and trying to figure out the tool to be able to get the July statements to you. Expect that shortly.

For those of you who have not yet met me, I look forward to meeting you in the coming months. Here is a bit about me:

- Grew up on PEI
- Became a chef, moved to Ottawa where I lived for 15 years, changed careers and worked for the government
- Moved to F'ton in 2001 and began working for the Graduate of Nursing Program at UNB, where I help run the program.
- My partner and I love to travel and have been around the world several times.

Your social committee has also been busy looking at new and exciting events for the coming year. Including a trip to St. Andrews to see whales and have a nice lunch. Stay tuned for more information on this in early September. Also, some other ideas we have discussed are: Big Axe Brewery in Nackawic to coincide with fall foliage, local breweries tour, Old Train Station in McAdam.
