

President's Message

Welcome to the 106th day of January! It certainly seems like that someday.

The saying goes, "April showers bring May flowers!" We are certainly seeing the rising water levels, not only from the April shower but also from the January to March snow fall. I hope everyone is able to stay high and dry!

We have several exciting events coming up that I'm looking forward to! Also, a reminder of the Club's AGM on May 25th.

Regards,

Josh Lamont

What is happening this month...

Spring Lobster/BBQ at Oakland Lodge. It seems like only yesterday we were gathering for the winter BBQ and here we are again getting excited about the fresh lobster and juicy steaks. Please join us on Saturday, May 12 at 6:00 for our annual spring event. **Please RSVP by May 8** with numbers attending, your choice be it **lobster** or steak or chicken (if you choose steak, how do you like it cooked?)

Annual General Meeting (AGM) on May 25 at the Delta Fredericton. We are happy to be heading back to the Delta for our annual AGM. Please join us to find out more on the health of your club and some business, before we all enjoy a wonderful evening buffet. **Please RSVP by May 22.**

Reminder for accounting purposes, please send all e-transfers to the Club's e-mail address, not my personal one.

Message from the Club Manager

May, the month of new beginnings and the hope for warmer days. New beginnings, be it new life, the plants in the ground or the promise to get in speedo shape for the beach! Whatever you may be up to this spring and early summer, I hope your new beginnings involves joining us for some wonderful events on the Club's horizon.

For those of you who receive this newsletter in the mail, you will find attached the Survey I have promised. If you normally get this via e-mail, the link to the survey is below. Please take the time to complete it! It will not take you that long and it will give us some valuable information on what we can plan for the future. The survey will be open for the month of May.

Cooking Class

The first of possible many cooking classes at Francis' place was a success... at least the food was *ش*
