

President's Message

“Suns out, Buns out!”... hamburger and hot dog buns, that is. The warm weather has finally arrived and with it comes barbeque season. I know I have a lot to learn from several master grillers in the club. I'm looking forward to taking notes at the upcoming lamb roast.

Cheers to summer!

Josh Lamont

DATES TO MARK ON THE CALENDAR

July 4 & 18 Brewbakers Lunch

July Events

Join us for another yearly club tradition, our hosted **Summer BBQ, July 21**. Again, this year we will be taking the short but scenic drive to Barbara Roberts and Robin Hopper's place for the lamb BBQ and potluck afternoon/evening.

Damda Restaurant and Night Market

Message from the Club Manager

June has not brought us the summer temperatures we were wishing for, in fact, a few nights of frost has made it feel more like early fall! June however, has brought back the care free spirit of summer, loaded with potential and lots of gatherings with friends and family.

We have had a few nice events in June; from the Rib Fest and Night Market in the downtown area, to the grand Military Tour up the north-eastern coast of NB. July now has the potential to warm our beautiful city up and allow us to sit back under a tree with a cool beverage and relax and appreciate life and what we have in this wonderful Country!

I'm looking forward to seeing many of you at the Potluck BBQ later in the month. Maybe we will have time to grab that cool beverage and enjoy the view from under a tree.

Just a reminder to keep your account balance as close to \$0.00 as possible to aide in the monthly running of your Club.

Francis Perry

The 16th edition of The Fredericton Garrison Club Military History Tour, with Bob Dallison, was held on June 7-8, 2018. We were a total of 25 people who, for two days, enjoyed each other's company and traveled back in time with our distinguished raconteur. We started in Fredericton, off Sunset Drive, at the Pauper's Cemetery, where Bob took us back to the Disadvantaged of the 19th century in New Brunswick. We then traveled to South Portage, on the way to Miramichi, where we visited the site of No

32 Ordnance Ammo Depot. We then went on to Doaktown, where we were regaled about King George VI's Royal Tour of 1939. Shortly thereafter, we were in Red Bank

at the Metepenagiag Heritage Park for our picnic lunch and a visit to the Mi'kmaq People's Museum. Our next location was in Miramichi City at the former site of the Transatlantic Wireless Station. Then we stopped in former Douglstown to visit the Seamen's Hospital Museum. Our final stop for the day was in Tracadie-Sheila at "Villégiature Deux-Rivieres Resort". Everyone settled in to their

respective cottage and at 7:00 pm, we went for dinner at the historic "Maison de la fondue". The next morning, we were treated to a buffet breakfast in the conference centre at the resort and again we were entertained by Bob Dallison and Ron McConnell on Place Names and the Tracadie Firing Range. Our last site on this incredible journey was "Le Musée Historique de Tracadie" and the story of the Leprosarium, including a visit to the cemetery.
