

## President's Message

It looks like summer has arrived! I hope everyone is enjoying the recent heat wave. This is quite the change from the freeze back in February.

I know this spring was rough for several of our members, as the flooding impacted and damaged numerous properties around the area.

We've got a couple of exciting events on the horizon, I'm personally looking forward to participating in my first Military History Tour, and other events over the summer.

I hope everyone has a wonderful and enjoyable summer.

Regards,

Josh Lamont

## **What is happening this month...**

The ever-popular Military Tour begins on Thursday, June 7.

For the last 4 years a rite of spring has been the gathering of the carnivores for **Fredericton's Annual RibFest**. If you have not been, you are in for a treat. Not only is there lots of ribs and chicken but they have some great music in the big tent as well. The plan is to meet at 5:30 on the fair-grounds near the Tim Hortons. Please send me off a note if you are not on the Military Tour and want to join us.

### **Fredericton's Garrison Night Market.**

Join us for a visit to the Night Market on Thursday, June 21 on Carleton Street downtown. We will first meet up at Damda Restaurant, 526 Queen at 5:30 and after dinner head into the market around 7:00. For more information on the night market [click here](#). Please **RSVP by June 17**, so I can book the restaurant.

## Message from the Club Manager

Oh May... how conflicting you are! Winter is finally over, and summer is right around the corner. However, now the work begins... clean up, fix and prepare for the warmer days ahead. It has also been a busy month for your club. The numbers were down but the appetites were up, at our Spring Lobster/BBQ at Oakland Lodge. Club members enjoyed their tasty lobster or tender juicy steaks. As I write this it is making me hungry. May also had 30 of us out to the Delta for our annual AGM and Dinner. It was a good chance to find out the health of the club and then feast. The club is in pretty good shape for it's age but still needs the members to come out and support the events. We have a few more events planned in the next several weeks and a few more in the plans for late summer/early fall.

The survey is now closed. We have had well over 20 responses. This information will help the Entertainment Committee plan new events or improve on what we are doing. Thank you!

Francis Perry
