

## President's Message

Finally, SPRING!

As spring is all about new beginnings, I must also reflect on this being my last full month as your President. The two years have gone fast.

We have some great events and excursions planned for the coming months. I sure hope many of you are able to partake. The club is only as good as its members and the fun events we all go to.

Josh Lamont

## Flashbacks - March Events

### **St. Patrick's Day**

The winter month's events are often a challenge because so many of us are away to the warmer climates, and due to the weather/roads conditions. However, a few of us made it to the Delta to spend the afternoon “having a few” and talking Irish. We enjoyed the sounds of Celtic Kin and their Irish dancing.

## Message from the Club Manager

Here we are again, April... another winter in the history books. With the cold weather hopefully behind us, we can now lower our shoulders and those cold muscles and enjoy the strength of the sun. I'm sure the blast of vitamin D from the sun will jump start our energy levels and we can begin to enjoy more of the Club's activities. Recently the Entertainment Committee met, and we have many new and interesting events in the works. (High Tea, Whiskey Tasting, Micro Brewery Tours, Sunday night dinner and outdoor movie downtown, Ribfest, Golf... to name a few)

What coming up...

**Cyber Security** on **April 17<sup>th</sup>** at the Delta – Hampstead Room at 7:00 PM.

What you need to know and how to protect yourself and be aware when you are online. With more and more business being done online, this talk will give you strategies to help you minimize your cyber risk. **RSVP**

**Sip and Paint** on **April 27<sup>th</sup>** at 7:00 location TBA - \$25.00/p

Class includes step by step instructions to create your own masterpiece and all the supplies are included. Even if you have never painted before, you will walk away with a piece of art. Each participant should bring a bottle to share. **RSVP**
