

President's Message

Serving the last three years as the President of the Fredericton Garrison Club has been a true pleasure and honour for me. Over this time, we have both welcomed new friends and lost old ones, made memories and shared many a laugh. Five years ago, when Clifford approached me to put my name forward as President Elect, I remember saying "you couldn't find anyone better?" his response was very matter-of-factly "there isn't anyone better I could think of." I hope that I have lived up to his, and your expectations over this time.

I want to thank Mary as Past-President and the other board members for their guidance and stalwart presence at the board table over the past three years. I look forward to taking up my post as Past-President in the coming year.

As I turn the final pages of my time as President, I would also like to thank the members, if it weren't for you, my time as President would not have been nearly as fun or exciting.

To George, congratulations on becoming our President, you have just begun a fantastic new chapter in the Clubs 50-year history!

For the last time.

Cyber Security Talk

We were lucky enough to get a friend of mine, Bernard Assaf, who works in cyber security, to come out and give us a talk. He had some very informative points for all of us to be aware of.

- DON'T Trust anyone when it comes to your personal and financial information!
- ALWAYS manage your Passwords and keep them secure, changing them twice a year.
- You are ALWAYS the TARGET.
- NEVER trust anything that offers you something for free. Nothing is for free!
- You can be targeted on the phone as well as emails and online.
- LEARN what is considered a good password. (at least 10 characters, both upper- and lower-case letters and numbers, and use symbols such as #, \$, %, &)

Message from the Club Manager

We made it through winter and the flood! Welcome May. Now that things are beginning to grow, it is a perfect time to think about growing our Club. We need your help to spread the word about your Club. Let perspective members know what we are about and what we do. Examples are things like the deal we have at the Rossmount Inn in St. Andrews (one of only two places in NB on the top 100 places of where to eat in Canada). Also talk about our BBQs, Military Tour, our own Historian, Bob Dallison, and the planned walk about in Marysville in June and a guided tour to PEI in August.

I look forward to enjoying tons of fun events with you all in the coming summer months.
