

## President Message

So, the month of August has come and gone. I hope everyone has had an amazing summer. For me, the cooler evening temperatures are certainly making sleeping all the more comfortable.

This month has been full of excitement. Apparently, the trip to PEI exceeded everyone's expectations and for this we must thank our esteemed General Manager, Francis. This is looking like an annual event.

And then to top it off Barb and Robin hosted, what from all accounts would be considered a night to remember with our annual Lamb Barbecue. You may recall the event was postponed due to health issues, but these two went above and beyond. Thank you.

For those of you who have been worried about Mavis Cater, I am pleased to report that she has been released from hospital after a bit of a scare. Under the watchful eye of Max and her children she is slowly on the way to recovery. I know that Max and Mavis are thankful for the outpouring of support over the last few weeks.

Finally, on a sadder note, the passing of Sharon Dallison. We send Bob our deepest sympathies. I know that Bob appreciates the support he is receiving from many of you.

See you all in September.

**George Filliter**

## Western PEI Tour

The 2<sup>nd</sup> Annual PEI trip was by all means, a great success, if I do say so myself!

Twelve Club members joined Greg and I, over in Tignish for two wonderful days.

Mother Nature was kind with us this year and we had time to explore many breathtaking views. It was a busy itinerary, but all were up to the challenge. We started Friday afternoon with a wonderful tour of the 159-year-old Catholic church in Tignish, including a private mini-concert on the very rare 137-year-old pipe organ, which has

1118 pipes. Then we visited North Cape for a nice

walk about followed by supper, as the sun set. Afterwards we were entertained by a great duo of local music at the Heritage Inn, where we were staying. The next morning was breakfast and then a very busy tour of the area; Potato Museum in O'Leary, the iconic light house at West Point, then the most wonderful drive back along the Northumberland Strait coast. With a short break back at the inn, we were off again to Mill River Golf Club and Resort for a

wonderful dinner. The evening was topped off with a stop at a local ice cream shop, where your money goes along way and the cones are BIG.

## Message from the Club Manager

It is a bit sad that summer is almost officially over! However, it was a wonderful one with lots of activities, parties and visitors. I hope you were able to enjoy every bit of it!

As we prepare for the busy fall, I sure hope to see many of you out enjoying the Club's activities.
