

President's Message

I hope you all are surviving winter thus far and have remained safe and warm. As one gets older, I find that winter is ever more burdensome.

Recently, I received communication from a friend of Barb's whose father was one of the Charter members of the Garrison Club. Many of you will have heard of or maybe even have known Bruce Anderson. In any event, Bruce recently celebrated his 100th birthday and based on the photo taken at his birthday party, Bruce seems to be in amazing health. Bruce's son, Boyd, is a member of a reciprocal club in Moncton, the Alma Club. Barb and I will invite him to a Garrison Club event in the near future.

Boyd also sent me a photo which he found in Bruce's album that shows many of the Charter and other members of the Club on November 17, 1972. Can any of you help identify those in the photo? Boyd has put a "Sign Here" post-it note beside his mother, who is sitting beside Dr. Bud Jewitt and his father, but would love to be able to identify the others in the photo. Can you help him out?

I look forward to seeing you at an event soon.

Message from the Club Manager

Happy mid-winter and the Month of Love!

I had a most wonderful adventure on safari in Tanzania and have some amazing photos to share.

Your new membership card(s) for 2020 are ready. I will try to give most of them out at our events, to save on postage, but if I don't see you at one of our events before the end of April, I will mail them.

We have several exciting events planned for this month and the next. Dine around Freddy on **Feb. 29th** at Byblos. This is one of best places to eat in Fredericton.

Our Winter BBQ has been moved to **Mar. 13th** at Oakland Lodge.

Join us for drinks and some snacks at the Delta on **March 17th** at 6:15 to celebrate St. Patrick's Day.

I will be away again from February 18-March 11, but on my return, I will be holding a cooking class and presentation on Tanzania along with some of the foods I ate.

I hope to see you at one or more of these events.

Francis Perry
